FARMAÈ GROUP

Mid&Small Virtual Summer 2020

27/28 July 2020

THE COVID-19 SANITARY EMERGENCY

Adopted stringent measures to avoid the outbreak inside the offices and the warehouses and to train our people on how to be safe

- 1 Smart working for people working at the call center, marketing and administrative department
- 2 Warehouse employees must maintain a safety distance of at least one meter and when this is not possible, gloves and a breathing mask FFP2 or FFP3 must be worn; sanitization three times a day of the warehouse
- 3 Safety procedures have been issued for the reception and for express couriers; drivers carrying goods are not allowed to get off their trucks
- 4 All meetings with external visitors have been canceled and replaced by video/conference call
- 5 Internal meetings take place only via phone or video conferencing

We are very close to our community and we are putting in place some ESG initiatives in order to support the local municipalities and Hospital

COMPARISON WITH THE EUROPEAN MARKET

Italy is less developed in terms of E-Retail if compared with other European countries:
large potential for growth

Competitive Scenario

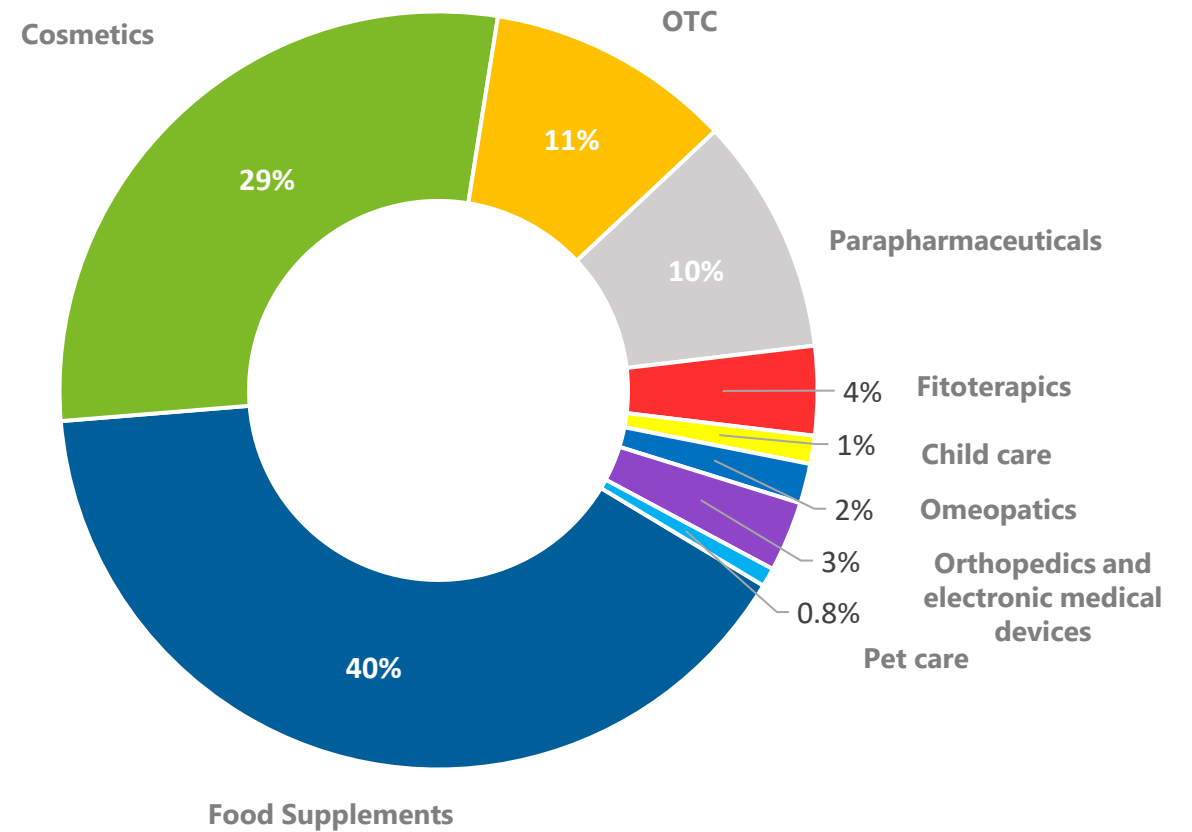

Farmaè Partners

- **Conversion Rate** from 2.1% to around 4.0% in the last three years
- An efficient **Customer Care** service with 8 pharmacists and 3 operating units

UNPARALLELED OFFERING

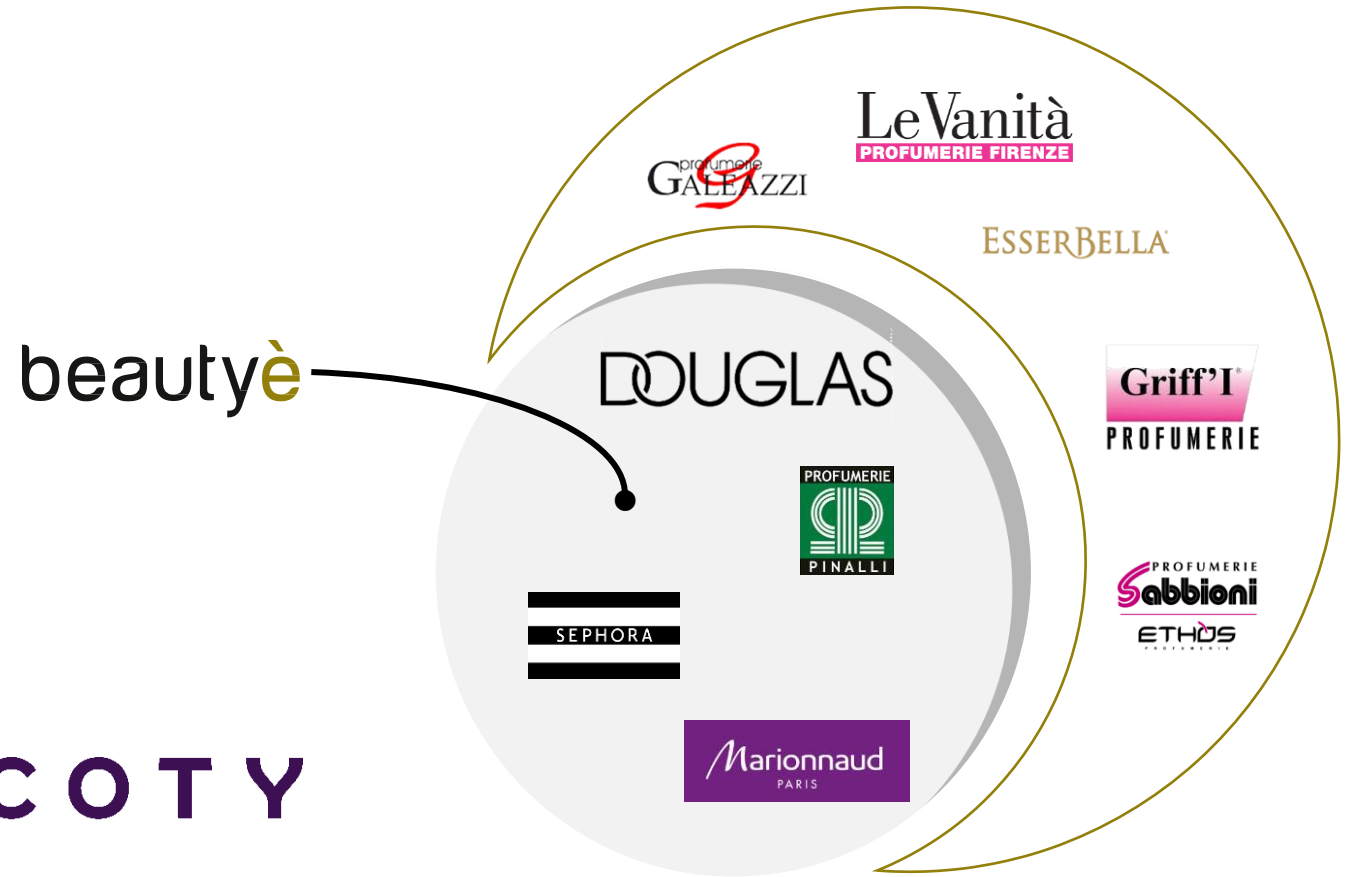

- ~ 40k SKUs*
- 31% average discount vs offline
- High value products with long shelf life
- Small weight and size
- Low return rates
- Extended customer lifetime

Great development potential thanks to:

- Leverage on www.farmaè.it's database
- Partnerships with main brands
- Tech Know-how
- Great investments of the main industries in the field
- High overlapping of consumers between luxury and hair care brands
