

 **FARMAÈ**GROUP

Stifel Virtual Roadshow

2 - 3 May 2022

**The first true Multi-Channel online player
in Europe in the reference Macro Sector**

The undisputed Italian online leader in the Healthcare, Beauty and Wellness sector

The point of reference for the final customer and the industries of the sector in Italy.

Founded in Viareggio in 2014 and listed on Euronext Growth Milan from July 2019, Farmaè Group owns the following brands: Farmaè, AmicaFarmacia, Beautyè and Sanort, and 100% of the media company Valnan Communications.

Farmaè Group is an integrated commercial platform that connect physical and online for the benefit of end customer 's purchasing and a reference media for the main industries in the sector.

The first true Multi-Channel online player in Europe in the reference Macro Sector

Health & Wellness

 **amicafarmacia**

Farmaè Group is the undisputed leader in Italy with its online platforms www.farmae.it and AmicaFarmacia www.amicafarmacia.com.

Farmaè ranks number 1 in Italy with www.farmae.it and is present on the national territory, in Tuscany, with 9 physical points of sale.

AmicaFarmacia, acquired by Farmaè Spa in September 2021, is the second online reference player and is present on the territory in Piedmont with 2 physical stores.

Beauty

 **beautyè**

The company operates in the Beauty market (professional sector, hair products and perfumery with Skincare, MakeUp and Fragrances) with the Beautyè brand with its online platform www.beautyè.it and a shop in Viareggio that combines the experience of the prestige beauty of perfumery with a beauty salon.

Heavy Orthopedics

 **sanort**

The Group has also recently entered the heavy orthopedics market in favor of health protection for severe disabilities by acquiring the Sanort brand www.sanort.it on which a market repositioning strategy is underway.

55,000 SKUs

In total, the Group deals with approximately 55,000 SKUs in the Health, Beauty and Wellness markets, exploding every need of the end customer in an omnichannel logic.

AmicaFarmacia acquisition

AmicaFarmacia is the second Italian online player in the Health & Wellness

Pharmacy

Para - Pharmacy

Online Platform

www.amicafarmacia.com

Synergies

- Consolidation of Farmaè positioning in the online channel through a significant increase in the user base
- Improved commercial purchasing conditions thanks to a greater critical mass
- Further development of industrial partnerships aimed at increasing targeted marketing and communication actions
- Enhancement of a single Group Media Platform

A results-oriented agency

Valnan Revenues at €1.6m*

Thanks to an innovative business model in the field of online communication and marketing, Valnan is a point of reference for Italian SMEs of different sectors. Valnan Communications is an Online Communication and Marketing agency that offers its clients a unique mix of services, technology, consulting and training to support Italian and International companies in the process of Digital Transformation in order to accelerate the new path between supply and demand to bring Brands closer to Consumers.

It operates on the market independently and it is the reference agency in Italy for players in the world of pharmaceutical, beauty, wine and tech.

*net of intercompany items

From Data Economy to Media

Co-marketing Revenues at €3.4m*, +72% YoY

Thanks to the knowledge and transparency of the reading of millions of data Farmaè has become a reference media for the main industries in the sector

Farmaè develops partnerships with the main industrial companies in the sector, from which it is perceived not only as an important customer, but also as a media platform through which to improve knowledge of the market and convey communication effectively to their consumers. This activity has generated an additional line of revenues, called Co-Marketing.

Our consumers

The pandemic event in progress has radically changed the purchasing propensity of the final customer

Customer Care

We are close to our customers through an effective and efficient customer care, able to support customers during all purchasing phases.

People in the team

Consultants

Different lines

1.500 calls per day

Before purchasing

The customer needs information and data on which to base his purchase decision.

We are there to provide it through a perfect description of our products/services, taking care not to neglect details.

During the purchase phase

Our potential customers may have a number of doubts about our products/services as they do not have in-depth knowledge about them.

We are there to help him, answering to their questions and showing availability and competence.

After purchasing

We never forget about our customers, on the contrary, we try to surprise them. We contact them to ask how they found themselves with our products/services and trying to understand, through questions, their satisfaction index.

**A clear strategy to consolidate
our Market Leadership**

+ FARMAÈ GROUP

A clear long term strategy to consolidate our Market Leadership

A continuous strategy of growth organically and through M&A

M&A

Opportunistic acquisitions of high potential leading targets, active in the online channel, also adjacent to the Pharma business sector (cross-industry strategy)

Online

Consolidate leadership by enlarging the customer base and improving the loyalty of active customers, also in a multi-channel logic by exploiting the unparalleled leadership position on the Health and Wellness market

Management Team

Strengthen internal capabilities by hiring new professionals in key business areas

Cross Industry

Strengthening of the entry strategy into other product channels by expanding the offer range by enhancing the effectiveness of a vertical positioning

Communication Activity

Consolidation and business development of the online communication and marketing agency Valnan Communications

Retail

Opening and acquisition of new physical stores to enhance a real omnichannel strategy

Logistic

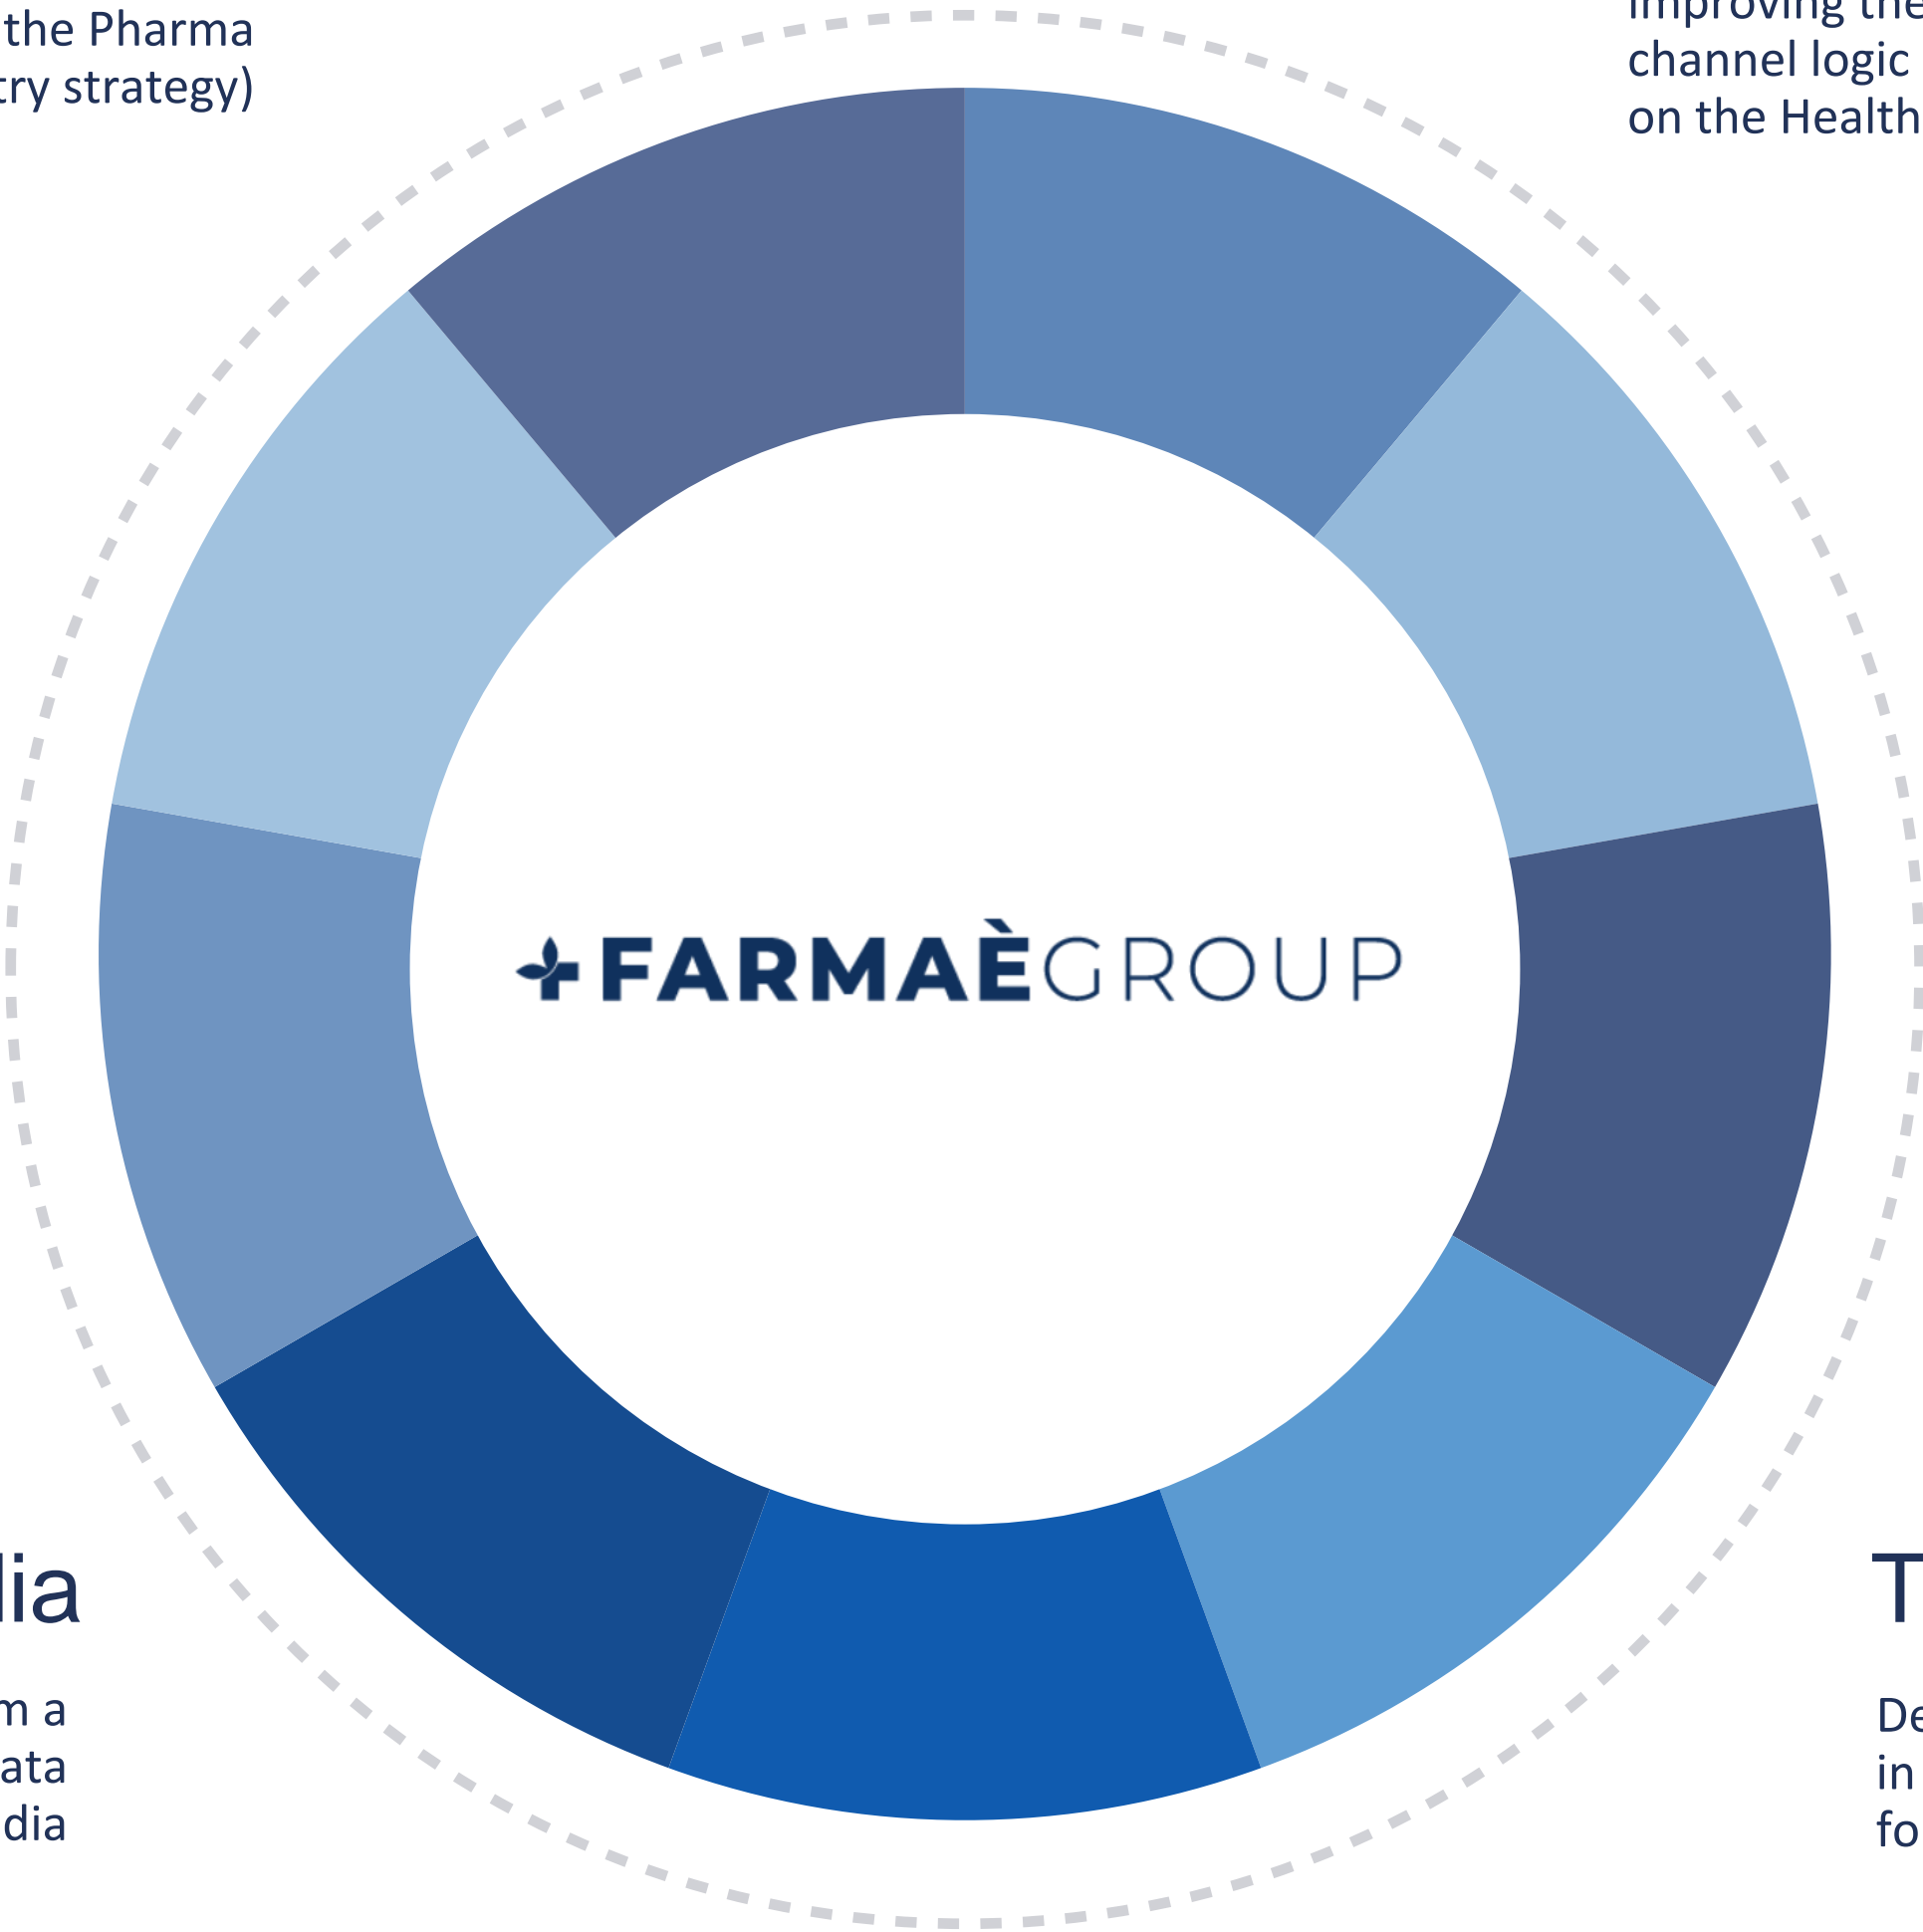

Expansion of the logistics capacity, thanks to the continuous technological development of the warehouse in Tuscany and the forthcoming release of a new logistics center in Piedmont

Media

Continuous enhancement of industrial relations, also from a commercial point of view, through the positioning of the Data Economy and the Media

Technology

Development of continuous technological innovations, also in terms of AI, to guarantee the best shopping experience for the consumer

Farmaè strategy and positioning in a changing environment

Market

- The Italian online market growth is normalizing after the Covid-19 pandemic euphoria
- The Italian market penetration is still low offering a great potential for growth:
 - **5.5% Pharma**
 - **6.5% Beauty**

Farmaè

- **Continue to outperform the market both organically and through M&A, following three major paths:**
 - ✓ Strengthen the undisputed leadership in the Pharma sector, already consolidated with the acquisition of AmicaFarmacia
 - ✓ Building leadership in the Beauty market
 - ✓ Entering new markets
- **Exploit the synergies of the acquisition of AmicaFarmacia**
- **Expand media activities by leveraging on industry relationships and a wide customer base**

Appendix

A unique history of growth

The growth speed is the main driver for a successful positioning

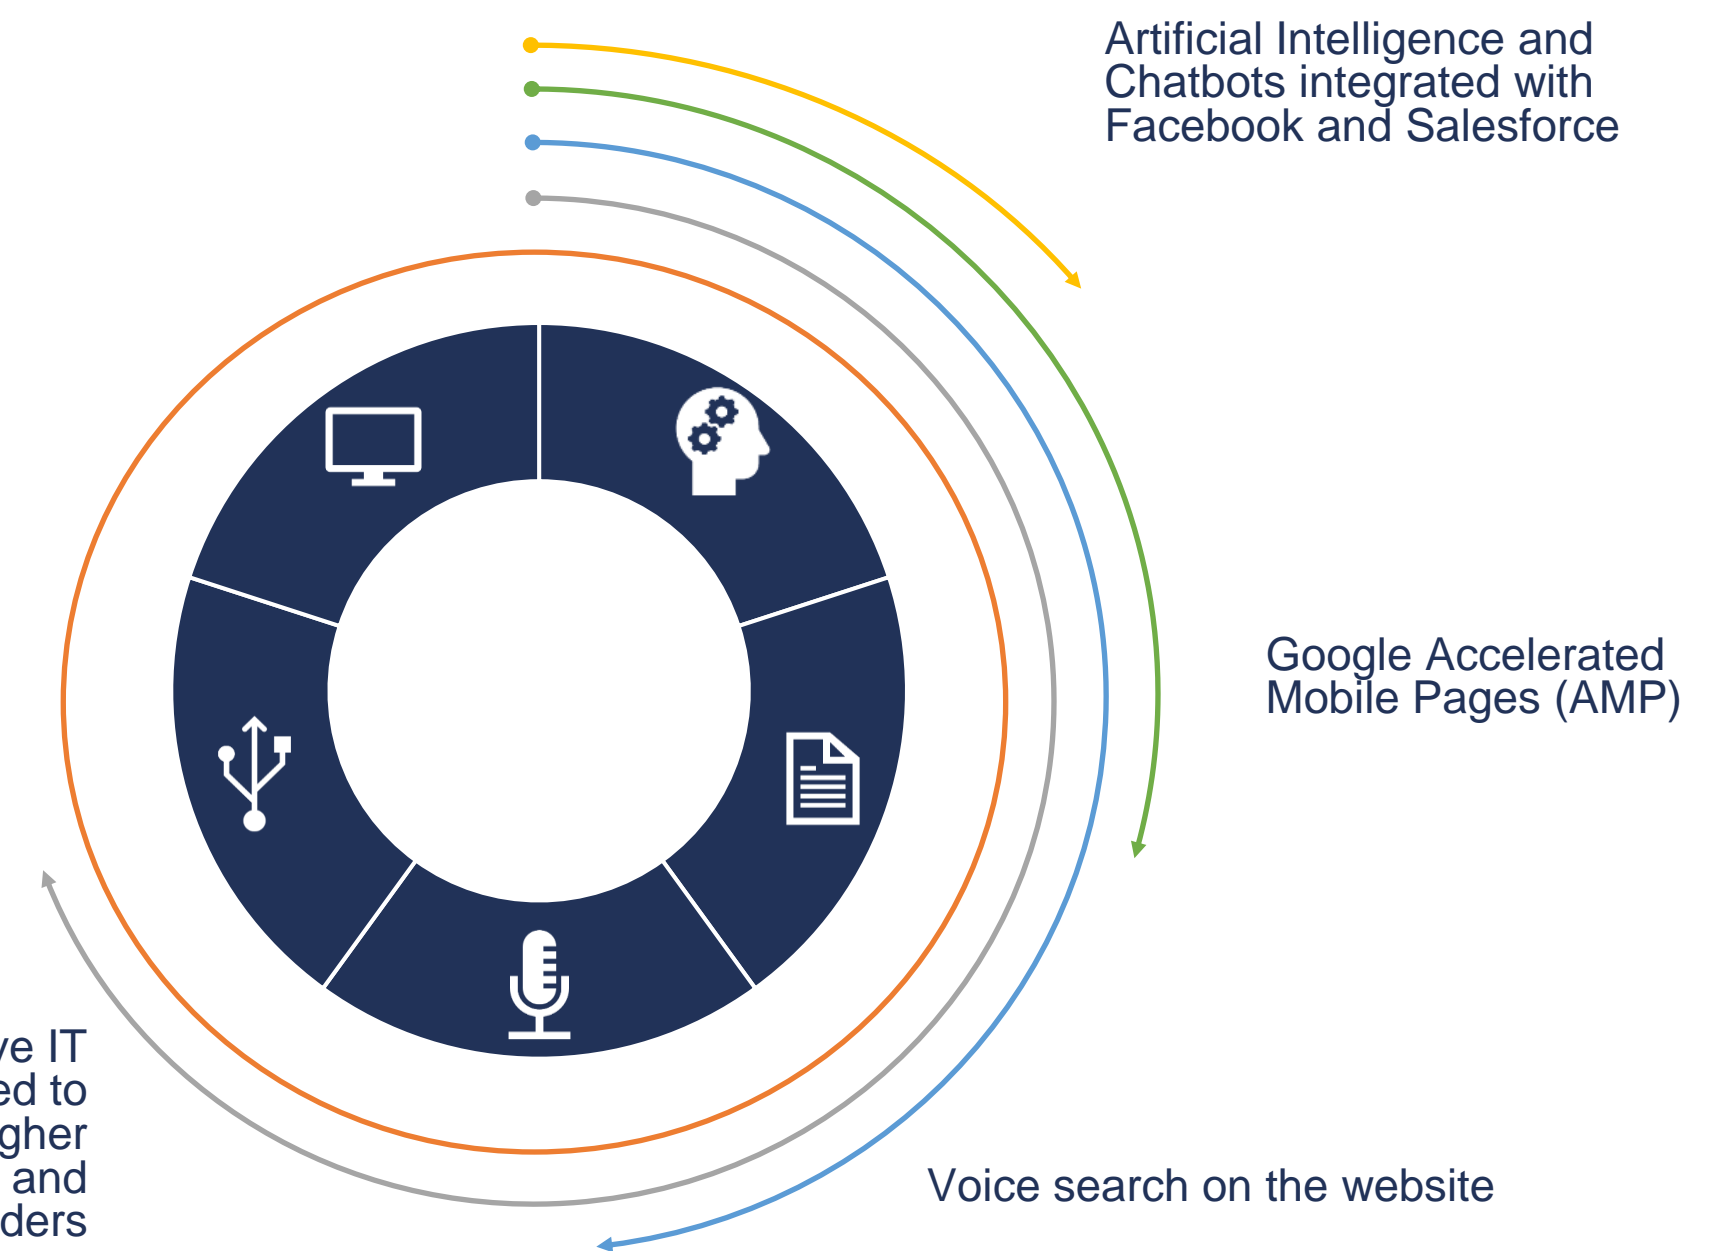

Technological development to support business

A company capable of transforming itself into a Tech Company.

Constant introduction of technological innovation both in terms of software solutions for business rather than digital platforms to take full advantage of the opportunities of Web 4.0, making the most of the constant integration between online and offline channels to improve the customer experience in an omnichannel way.

State-of-the-art personalized, user-friendly platform (both for mobile and desktop users) enabling data matching between online and offline

Best-in-class and innovative IT infrastructure designed to accommodate significantly higher volumes of traffic, customers and orders

The purchasing experience also through the service

The development of the logistic capacity to improve and accelerate the main service lever: delivery

Advanced Logistic Hubs to efficiently serve customers

Farmaè

Automated logistics hub located in Migliarino Pisano (PI)

- equipped with a state-of-the-art fully automated system
- achieves significant efficiencies in inventory and order management
- delivery focus centre-south of Italy

5,000 sqm
New warehouse to support growth

48 h
Estimated maximum time for a delivery

€19.90
Minimum cost for free delivery

Up to €150 m
Developable turnover

AmicaFarmacia

1,100sqm + 400sqm of container acquired close to the logistic hub in Bagnolo Piemonte

A new hub of up to 5,000 sqm to be opened by the second half of 2022 to serve the North of Italy

Sustainability in Farmaè:

from saying to doing, a path of awareness

Farmaè has become carbon neutral

- Identification, through the **materiality analysis**, of the issues that reflect the significant economic, environmental and social impacts for the Group and that substantially influence the assessments and decisions of the relevant stakeholders.
- Medium and long-term projects (Carbon Footprint, Corporate Welfare, Governance, Social) allow the achievement of the **17 Sustainable Development Goals**, SDGs, foreseen by the agenda 2030 for Sustainable Development.
- Farmaè is one of the first companies in the health and beauty sector to have undertaken a process to reduce and neutralise carbon dioxide (CO₂) emissions by the year 2021 and has become "carbon neutral"
- First **Sustainability Report** publication in 2023 on 2022FY
